

Lot or Structure, however, shall be final as to that Lot or Structure and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

It shall be the responsibility of each Owner at the time of construction of any structure on the Owner's Lot, to comply with all applicable Laws, including without limitation compliance with the construction plans for the surface water management system pursuant to Chapter 40D-4, F.A.C., approved and on file with the Southwest Florida Water Management District.

Notwithstanding anything to the contrary, the Architectural Committee may request changes in any plans or Structures that are completed or being built if required by Law and neither the Declarant nor the Architectural Committee shall be liable for damages.

In regards to any plans and specifications approved by the Architectural Committee neither Declarant, nor any member of the Architectural Committee, shall be responsible or liable in any way for any defects in any plans or specifications, nor for any structural defects in any work done according to such plans and specifications nor for the failure of the plans and specifications to comply with any Law. Further, neither Declarant, nor any member of the Architectural Committee shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications or the exercise of any other power or right the Architectural Committee provided for in this Declaration. Every Person who submits plans or specifications to the Architectural Committee for approval agrees, by submissions of such plans and specifications, and every Owner of any Lot agrees, that he will not bring any action or suit against Declarant, or any member of the Architectural Committee, to recover for any such damage.

Prior to the issuance of a certificate as set out in section 4 below, any employee or agent of the Architectural Committee may, after reasonable notice, at any reasonable time, enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration, or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and neither the Architectural Committee, nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

**Section 4. Certification by Architectural Committee.** At the request of any Owner, the Association from time to time will issue, without charge, a written certification that the improvements, landscaping, and other exterior items situated upon such Owner's Lot have been approved by the Architectural Committee, if such is the case.

**Section 5. Violations.** If any Structure shall be erected, placed, maintained, or altered upon any Lot, otherwise than in accordance with the plans and specifications approved by the

Architectural Committee pursuant to the provisions of this Article, such erection, placement, maintenance, or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the Architectural Committee such violation shall have occurred, the Architectural Committee shall notify the Board of the Association. If the Board of the Association shall agree with the determination of the Architectural Committee with respect to the violation then the Board shall provide written notice to the Owner by certified mail, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the mailing of the aforesaid notice of violation, then the Association shall have and be entitled to, in addition to any other rights set forth in this Declaration, all rights and remedies at law or in equity. Actions of the Board are final.

Section 6. Partial Delegation to Association. At any time prior to the termination of Declarant's responsibilities as provided in Section 1 above, Declarant may delegate to a committee of the Association the responsibilities of the Architectural Committee with regard to any activities on individual Lots which have been fully developed, permanent improvements constructed thereon, and sold to permanent residents. The Declarant may then retain all other duties of the Architectural Committee with regard to new construction.
